

The Official

OREGON SECTION AEG NEWSLETTER

Thanks to all the section officers and committee

Chairs for a great 2006-2007 season !

A southern Oregon AEG section has been proposed. Please contact Tim Barnes of the BLM, Coos Bay District for more information. Timothy_barnes@blm.gov

ELECTION OF OFFICERS BALLOT AEG OREGON SECTION 2007-2008

Please indicate your vote by circling the name of choice for the following offices. Your ballot should be sent to: Brent Black, Oregon Section AEG Past Chair, 10250 SW Greenberg Road, Suite 111, Portland, OR 97223 or FAX to Brent at (503)425-1528. Please return by July 6, 2007. The new slate of officers will be announced at the September meeting.

CHAIRPERSON

- Matt Brunengo:

Matt has been active with Oregon AEG since returning to Portland in 1998. He received BS and MS degrees in Geology from Stanford University, and pursued graduate study at the University of Washington. He worked as a consultant in Seattle and then at the Washington Department of Natural Resources for 12 years, during which he was active in the Washington section of AEG and the Northwest Geological Society. He worked for GeoEngineers in Portland for three years, and is now concentrating on finishing an elusive Ph.D. in Geology/Environmental Sciences at Portland State. He is a Certified/Licensed Engineering Geologist in Oregon and Washington.

- _____(write in)

CHAIR-ELECT

- Jason Hinkle

Jason is a Certified Engineering Geologist with the Oregon Department of Forestry. He has a BS in Geology from Virginia Tech and an MS in Geology from Portland State University. Jason has been an active member in the Oregon Section of AEG since 2000. He served as a Program Chair for two years, helped lead a couple field trips, and most recently has served as Treasurer and Secretary for the Section.

- _____(write in)

SECRETARY

- David Scofield

David has been active with Oregon AEG since 1990. He received BS degrees in Geology and Civil Engineering from Portland State and MS degree in Geology from Stanford University. He has 30 years of experience in the Pacific Northwest working with the US Army Corps of Engineers Portland District and local consulting firms. He currently works as geotechnical engineer for the US Army Corps of Engineers. He is a licensed Geologist, Certified Engineering Geologist, and Professional Engineer in Oregon and Washington.

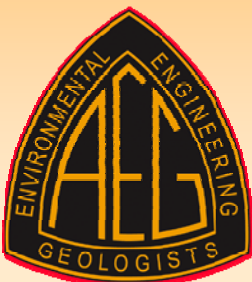

- _____(write in)

TREASURER

- Lisa Glonek

Lisa has been active with Oregon AEG since moving to Portland in 2002. She received a BS degree in Geology from Arizona State University and a MS degree in Geology from the University of Nevada, Las Vegas. She has been working as a consultant in Portland for 4 years and obtained her Registered Geologist (RG) certification for the state of Oregon in 2006 .

- _____(write in)

“Keen observation is at least as necessary as penetrating analysis”

Karl Terzaghi

New Program Chairs !

We would like to welcome our two new program chairs for 2007-2008 Michael Marshall and Roland Brady. They are already working on the programs for next year and can always use suggestions for venues and speakers.

The Oregon Section Newsletter

OREGON SECTION AEG NEWSLETTER is published monthly from September through May. Subscriptions are for members of AEG affiliated with the Oregon Section or other Sections, and other interested people who have requested and paid a local subscription fee of \$10.00. E-

mail subscriptions are free. News items are invited and should be sent to: Bill Burns, OR Section AEG Newsletter Editor, Oregon Department of Geology, 800 NE Oregon Street, Portland, OR 97232, e-mail: <bill.burns@dogami.state.or.us>, phone (971) 673-1555. Electronic

media is preferred. Deadline for submittal is Friday three weeks before each meeting. Advertising: business card \$10/mo, \$100/yr; ¼ page \$30/mo, \$200/yr; ½ page \$35/mo, \$350/yr. Please notify Bill if you have a change to your email or mailing address.

The Association of Engineering and Environmental Geologists (AEG) contributes to its members' professional success and the public welfare by providing leadership, advocacy, and applied research in environmental and engineering geology. AEG's values are based on the belief that its members have a responsibility to assume stewardship over their fields of expertise. AEG is the acknowledged international leader in environmental and engineering geology, and is greatly respected for its stewardship of the profession.

Photos of the Month

Two photos from the recent First North American Landslide Conference, Vail, CO. In the middle of the week of the conference a full day of 8 field trips was held. One of the field trips concentrated on debris flows. Two of the stops are shown in the photos. Marble Canyon (left) and Glenwood Springs (right). Several members of Oregon AEG attended this field trip.

Photos by Bill Burns of Oregon Department of Geology and Mineral Industries.

To submit a photo, please email the picture in a JPEG or TIF format to bill.burns@dogami.state.or.us. Also include a short paragraph describing the photo and project.
